In response to a Notice of Allowance and Fees Due mailed March 24, 2005, Applicants submitted a completed form PTOL-85 via facsimile on May 18, 2005. As Applicants asserted a claim for small entity status, an issue fee of \$700, a publication fee of \$300, and a soft copy charge of \$15 (for 5 copies) accompanied the completed form. A copy of this form indicating receipt of these fees and charges is enclosed.

However, an Office Action was mailed on July 13, 2005, i.e. after payment of these fees and charges, in which the allowability of all claims was withdrawn. Applicants timely responded and a second Notice of Allowance and Fees Due was mailed December 1, 2005. This second Notice of Allowance and Fees Due did not properly reflect credit for the previously paid fees and charges and also did not properly reflect the previously asserted claim for small entity status.

Accordingly, Applicants respectfully request that the previously paid fees and charges be applied under the provisions of MPEP 1308.01 and submit concurrently herewith a completed form PTOL-85 indicated that no fees are due.

In light of the foregoing remarks, early passage of this case to issue is respectfully requested. If any questions remain regarding this application, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

No fee is believed to be due. However, please charge any required fee (or credit any overpayments of fees) to the Deposit Account of the undersigned, Account No. 500601 (Docket No. 7640-X03-012).

Respectfully submitted,

Paul D. Bianco
